IMPORTANT: I understand that this form is ONLY an Interest Application, and NOT OPEN REGISTRATION.

Submitting this form does not guarantee my child a roster spot on a spring team. Region 1422's policy is to try and place every child who wants to play on a spring team. Past history suggests that there are more players who want to play than there are coaches and referees to support these kids.

I understand that the number of fields, coaches and referees determine the number of players who will be placed. It is the Board's desire to let every child play and we will do our very best to accomplish that goal. I am also aware that the Coaches expect a commitment to the Team for practice, games and tournaments should my child be selected.
